

# Middletown Fire Department Free Car Seat Clinic

Our Certified Car Seat Technicians are here to help educate parents, inspect car seats, and assist in safe installation. We also can supply new car seats to families who may be in need of them. Children are not required to be on sight, but it will aid in a proper harness fitting.

**May 25, 2023  
4pm-8pm  
Middletown Fire  
Department Station 2  
169 Cross St.  
Middletown, CT 06457**
